Dear Volodymyr,

On this day, I would like to both congratulate and thank you for your past 12 months of dedicated support with Torden supporting the United States Army Intelligence & Security Command's Defense Language Interpreter Translator Enterprise United States Forces Europe (USF-EU) mission in Grafenwöhr. Specifically, the Joint Multinational Training Group - Ukraine (JMTG-U) training mission.

Torden's goal is to make a powerful, positive impact on our environment, while perfectly blending into the missions we support. Today, we have supported missions in Afghanistan, Argentina, Cameroon, Chile, Djibouti, Germany, Guatemala, Kosovo, Lithuania, Macedonia, Niger, Norway, Poland, Portugal, Somalia, Trinidad and Tobago, Ukraine, the United Kingdom, the United States Naval Station Guantanamo Bay, and throughout the Continental United States – including your location, Grafenwöhr, Germany.

We are proud to recognize this milestone with you. We are also honored to include you as a member of our experienced, focused team of professionals. As you know, our logo is the Viking rune "Tyr" or the Viking letter "T." The rune "Tyr" represents the Viking's symbol for their god Tyr – the god of war. To the Vikings, Tyr represented law, justice, and heroic glory. We share the common objective of providing the very best services and certainty to our clients and to every mission we support. Thanks to your efforts, we continue to grow and provide essential services to the United States Department of Defense and the Armed Forces of Ukraine.

As you recognize your first anniversary with Torden, I want to tell you how much we appreciate your commitment and service to us and to the United States Government. Your outstanding support to the USF-EU program contributes greatly to Torden's reputation for providing solutions for which the U.S. has confidence.

This anniversary provides us with an opportunity to recognize your service. We value the commitment that you make every day. We also value the contributions that you will continue to make in support of our training missions. Thank you for being a critical part of our JMTG-U team. I wish you continued success!
